

# FAGGED

What a story of suffering that one word tells. It says: "I am all tired out. It seems to me I can hardly take another step. I haven't a particle of ambition. I can't do half the work I feel I must do. I am weak, nervous, depressed, discouraged."

## That's Impure Blood

Now you know what the trouble is, you certainly know the cure.—a perfect Sarsaparilla. "Sarsaparilla" is simply the name of the medicine, for in a perfect Sarsaparilla there are a great many remedies. Some act by taking out the bad; others, by putting in the good.

You want a Sarsaparilla that will make your blood pure this spring, a Sarsaparilla that will make it rich and strong, a Sarsaparilla that is a powerful nerve tonic. You want the strongest and best Sarsaparilla that can be made.

## That's AYER'S

"The only Sarsaparilla made under the personal supervision of three graduates: a graduate in pharmacy, a graduate in chemistry, and a graduate in medicine."

"Last July my oldest daughter was taken sick, and I was on my feet, it seemed to me, night and day for weeks taking care of her. I had no other help than that which my husband gave me, and by the time daughter began to mend I was down sick myself. I was discouraged, and did not care much whether I lived or died. My husband got me a bottle of Ayer's Sarsaparilla, and its effects were magical. Two bottles of this medicine put me on my feet and made a well woman of me."—JANE M. BROWN, Bentonport, Iowa, Jan. 19, 1900.

For Malaria, Chills and Fever.

## THE BEST PRESCRIPTION IS Grove's Tasteless Chill Tonic.

The formula is plainly printed on every bottle—hence you know just what you are taking when you take Grove's. Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic, while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the **Original** and that all other so-called Tasteless Chill Tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire malarial sections of the United States. No Cure, No Pay. Price, 50c.
